

LTSS TRAINING TODAY

November 2021

Happy Thanksgiving!

2350 Form: The 'Dos' and 'Don'ts'

We strongly encourage you to use the Partner Portal when submitting 2350 Forms.

DO submit a 2350 when:

- Discharge: To home (if this will be a transition, ensure there is a transitional PAE or the member risks losing coverage), due to death or when transferring to another facility.
- Admission: With an application for long term care (we do not need an admission 2350 for people who will not be applying for long term care) or when someone transfers to your facility.

DON'T submit a 2350:

- For skilled / short term stays
- For residents who are not applying for or receiving Medicaid.

Reminder: TPAES Password Tips

Make sure you are changing your password in TPAES every 60 days and ensure password meets the password criteria. Also, do not save the password in Chrome, if prompted. Doing so often causes the password to revert back to previous password.

What is the ERA Program?

The [Emergency Rental Assistance \(ERA\) program](#) makes funding available to assist households that are unable to pay rent or utilities. Key objectives of this program:

- Support urgent COVID-19 response efforts to continue to decrease spread of the virus and bring the pandemic under control.
- Assist renters most in need to avoid evictions and secure housing stability.
- Alleviate the deep financial distress of countless landlords who rely on rental income to support their families.

The Consumer Financial Protection Bureau (CFBP) has multiple tools and resources that can help renters:

- [CFBP's Housing Portal](#): Provides step by step instructions to help renters avoid eviction, get rental assistance, talk about repayment, know their rights, and find help.
- [Rental Assistance Finder](#): Tool that helps find rental assistance programs per state or territory.

Check it out!

Click [here](#) to read TennesseeWorks' latest article titled, '[Technology Solutions](#)' are So Helpful, Why Do So Few Folks with Disabilities Have Access?'

The article includes an fascinating interview with Shea Tanis, Research Professor at the University of Kansas Life Span Institute, that discusses access to technology.

This article truly shows the impact and value of Enabling Technology.
